Specifiche tecniche - Descriptions techniques - Technical descriptions

Telaio: in metallo con rete elettrosaldata e cinghie elastiche sotto le sedute. Apertura rapida del letto dallo schienale.

Struttura: in legno massello e agglomerato di legno con cinghie elastiche sotto i sedili.

Imbottiture:

Cuscini seduta: in poliuretano espanso a densità differenziata in HR 30 e HR 35

Cuscini schienale: in poliuretano espanso HR 25 soft.

Rivestimento in tessuto: completamente sfoderabili

Piedi: in legno colore Wengé

N.3 diversi tipi di schienale

Confort: garantisce il massimo confort.

Alto: è completo di poggiatesta fisso. La versione con letto prevede il portaguanciali.

Recliner: completo di poggiatesta reclinabile in diverse posizioni. Nei divani letto è dotato di portaguanciali interno alla struttura.

Sommier: en mailles electrosoudées avec sanglages élastiques sous les assises. Ouverture rapide par le dossier.

Structures: en bois massif et particules de bois avec suspensions en sanglages élastiques sous les assises.

Rambourrages:

Coussins d'assise: en Mousse de Polyurethane à densité différenciée en HR 30 et HR 35.

Coussins du dos: en Mousse de Polyurethane en HR 25 Soft

Revêtements en tissus: complètement déhoussables.

Pieds: en bois couleur Wengué.

N.3 types de dossiers différents:

Modèle Confort: il assure le maximum du confort du dos.

Modèle Alto: il est complet de repose-tête fixe et dans les convertibles il est prévu le range oreillers à son intérieur.

Modèle Recliner: il est complet de repose-tête inclinable en plusieurs positions. Dans les modèles convertibles il est prévu le range-oreillers à son intérieur.

Metal frames: in electro-welded net with elastic belts under the seats. Speedy opening by the back.

Structures: in massive wood and agglomerated wood with elastic belts under the seats.

Paddings:

Seats cushions: in expanded Polyurethane with different densities in HR 30 and HR 35.

Back cushions: in expanded Polyurethane with HR 25 Soft.

Covers in fabric: fully removable.

Feet: in dark massive wooden.

N.3 different types of backs

Confort model: it grants the maximum confort of the user back.

Alto model: it is complete of fix head-rest and in the convertible sofas it is equipped of pillow-box.

Recline Model: it is complete of head-rest reclinable in many positions. In the convertible sofas it is equipped of pillow-box.
